Re: Stewart's Shop – 875 New Scotland Ave., Albany, NY 12209
Request for change in hours of operation

Chairman Berkley:

As you may know my name is Jack Flynn and I represent Ward 8 in the City of Albany where the above-mentioned Stewart's Shop is located. I'm writing this letter to demonstrate my support as well as my constituents support for expanding the hours of operation to 5AM-11PM. The constituents in this ward, among others include local health care workers, emergency responders, government workers that have voiced their opinion to have Stewart's open earlier than 6AM.

Stewart's has always been a great community partner especially during this global pandemic and I ask yourself and your fellow ZBA members to approve this request.

Thank you,

Jack Flynn
