CERTIFICATE OF APPROPRIATENESS FORM

Part 1. Application Notes

A Certificate of Appropriateness is required for all applications for permits involving any exterior alteration, restoration, reconstruction, demolition, new construction or moving of a locally designated historic landmark or a property within a local historic district.

Minor exterior work, such as exterior maintenance and repair, change of paint color, replacement of non-original material, and minor changes that do not materially change the historic characteristics of the property may be reviewed by the Chief Planning Official.

Major exterior work, such as new construction, demolition, substantial alterations, and use of non-historically appropriate materials are subject to review, a public hearing, and decision by the Historic Resource Commission.

Note: A pre-application meeting is available upon request prior to submitting this application.
