- 2. The Planning Board may impose conditions to ensure that the proposed use meets these standards and any other applicable provisions of the USDO.
- 3. A public hearing is required for all conditional use permit applications.
- 4. If approved, the conditional use is approved only for the portions of the property specified in the application.
- 5. In addition to meeting the requirements of the USDO, the proposal may be subject to other City ordinances, including but not limited to Chapter 133 (Building Construction), and may be subject to disapproval if not proposed in compliance with these articles.
