

## DEMOLITION REVIEW APPLICATION FORM

## Part 1. Application Notes

A Demolition Review is required prior to receiving any building permit that involves the total or partial demolition of a structure or building except those structures located within the Historic Resources Overlay District or as listed in Section 375-5(E)(17)(a) of the USDO.

- 1. The reasons for the demolition and all alternatives to demolition that have been considered must be explained as part of this application.
- 2. If the property is to be redeveloped, approvals for the new development may be required prior to issuance of a demolition permit.
- 3. The applicant must verify whether or not the property is eligible for listing on the State Register of Historic Places and whether a determination of eligibility has been requested.

*Note: A pre-application meeting is available upon request prior to submitting this application.*
