

AFFORDABLE HOUSING COMPLIANCE PLAN

Part 1. Policy Guidelines

In 2017, the City of Albany adopted the Unified Sustainable Development Ordinance (USDO) to regulate land use and development within the City and promote sustainable and equitable economic development.

As part of the USDO, Section 375-4(A)(4)(b) states that: "each new residential or mixed-use development or redevelopment containing 50 or more new dwelling units shall sell or rent at least five percent of its new dwelling units at sales or prices affordable to persons earning no more than 100 percent of the area median household income for the City of Albany, as determined by affordability methods used by the U.S. Department of Housing and Urban Development."

Affordable housing units created pursuant to 375-4(A)(4)(b) shall be:

- 2. Rented to households that consist of the minimum number of people as specified within the adopted guidelines;
- 3. Provided in proportion to the sizes of market rate units included in the development;
- 4. Comparable in infrastructure (including sewer, water and other utilities), construction quality, and exterior design to the market rate units;
- 5. Physically integrated with the rest of the development and there shall be no visible exterior indications that units are affordable housing units, such as an alternate entrance;
