CERTIFICATE OF APPROPRIATENESS APPLICATION

A Certificate of Appropriateness is required for all applications for permits involving any exterior alteration, restoration, reconstruction, demolition, new construction or moving of a locally designated historic landmark or a property within a local Historic District. Minor exterior work, such as exterior maintenance and repair, change of paint color, replacement of non-original material, and minor changes that do not materially change the historic characteristics of the property may be reviewed by the Chief Planning Official.

Part 1. Application Notes

| Major exterior work, such as new construction, demolition, substantial alterations and use of non-historically appropriate materials are subject to review, a public hearing and decision by the Historic Resources Commission | | | | |
